STEEL ADAPTER

Rolls Roller: Traffic - Entry

How to install your Steel Adapter

1

Klargør adapter med de 4 stk. bolte M8x20 som er vedlagt. (se foto)

Prepare the adapter with the 4 pcs. bolts M8x20 attached. (see photo)

2

Monter adapter som på foto.

Attach the adapter as in photo.

3

Sørg for at adapter er placeret således at de to beslag støder helt op til bordet inden der spændes fast.

Make sure that the adapter is located so that the two brackets are against the table before tightening firmly.
